KRC Newsletter #55

June, 1988

PREZ SEZ

While most of you have been busy spinning your records, your new officer team of Roy Robbins - VP, Ron Diehl - Acting Secretary, Bob Atwater - Treasurer and myself, have been with all kinds of club activity (at 78 RPM's I might add). This mailing includes many of the printed items we have been working on. This newsletter will also announce other activities we have planned.

Before I continue, I feel it is important to look back and

recognize the previous administration for their efforts. Under Tom Grosh's leadership, our club progressed quite nicely. My thanks to Tom for his past 3 years as president, along with other positions before that. Also thanks to Tom's 1987 officer crew: Phil Schwartz - Secretary, Jack Coons - Treasurer and myself as VP.

It is my goal, along with the rest of the current administration, to continue with the things that have made our club so successful, along with fine-tuning a few areas. We plan to become more collector-oriented as a club. This will become apparent with the activities and events scheduled over the next few months.

Our officer team is committed to an "Open Door" policy of management. That is why you will see a box in the enclosed Membership Directory and future newsletters, listing our name, position, and telephone number. If anyone has a question, idea, concern, news, or suggestion, call the appropriate elected or appointed officer with your information. You may also write us at P.O. Box 1516, Lancaster, PA 17604.

Together, WE can make the Keystone Record Collectors Club even more beneficial to our members.

- B. Derek Shaw, President

ARE YOU AWARE?...

- KRC club business meetings are now held after every show at a restaurant in the Columbia area. Social hour is from 4-5 P.M. with the meeting starting at 6 P.M. ALL members that want to actively participate in the operation of their club are urged to attend. Each meeting will last 45-60 minutes. An agenda will be posted on the club Bulletin Board prior to the meeting. The June 26th meeting will be held at Bully's Restaurant on Union St. in Columbia, PA.
- The Club now has a new telephone number. It is to be used for market reservations, questions about the club, etc. It will be staffed by club treasurer Bob Atwater on Thursday and Friday evenings ONLY from 8-10 P.M. The rest of the time there will be a recorded message. We can return your message, but we would have to reverse the charges. (215)273-2965
- Our new suggestion box is already getting some use. This was installed for our May show by past president Tom Grosh. If you have a constructive, thought, comment or idea, jot it down and put it in the box located in the front at the Market House. All other times, drop us a line to the Lancaster P.O. Box.

- Millie Sheetz and Mary Loreto who run the Snack Bar at the Market House have agreed to sell KRC merchandise adjacent to the snack bar. Now you can purchase KRC T-shirts, sweatshirts, buttons, bumper stickers, paper and plastic sleeves in one place. Talk about one stop shopping!
- The fifth edition of *RECORDER* magazine is in the preliminary stages. Scheduled to be released in late August/September. It will include an extensive article on Southeastern PA band, the Kit Kats, along with a national artist. Writers are always needed and welcomed for articles on local, regional or national artists/groups. Contact: Phil Schwartz, Editor at P.O. Box 1516, Lancaster, PA 17604 or call (717)560-9710 with article contributions.

OFFICER

Roy Robbins - VP. Roy has been involved in a variety of activities for the club. He is now working with the 11 newspapers we advertise in, making sure the correct ad runs on the right date. Roy will also be sending press releases to the media. If anyone has ideas in these areas, Roy is the man to see.

Ron Diehl - Secretary. Ron was appointed Acting Secretary of the club by the rest of the officers in April to fill the unexpired term of Rusty Habel. Ron has been busy getting our membership records up to date. He took care of obtaining 1988 membership cards (enclosed). Ron is in the process of compiling the results of our 1988 renewal member survey. In addition, he will be recording minutes at all business meetings, and posting a copy on the club bulletin board at each show.

From **Bob Atwater, Treasurer.** "Most people know me as the marketmaster at the Columbia Market house shows. Now I'm addressing you as your club treasurer. This is my first term as an elected officer in the eight years that I've been a member.

Our record keeping requirements are much more involved than when we first started. In addition, since we've been incorporated as a non-profit corporation in 1986, that brought on additional reporting responsibilities. Also, we are fortunate to have our own club sponsored show, which has become an "A" show in everyone's book.

Our checkbook balance as of May 31st stood at \$3,492.35. This does not include all of the newspaper advertising and other bills associated with the May show. I will provide a complete income and expense breakdown in the next newsletter."

NEWS YOU CAN USE

The officers recently decided that to maintain the integrity of our show, all members that set up will need to sign a **KRC Policy Statement**. This waiver protects our club in terms of liability, taxes, and bonds. Also it states that the club is not promoting the sale of counterfeit items. Club Secretary Ron Diehl will be around during the June show to get your signature on the document to be kept in our files. Those setting up after the June show will see Marketmaster Bob Atwater before they set up. In the future, we will do this on an annual basis at the January show. Again, this is protecting your club from any unforeseen circumstances.

Club member **Charlie Reinhart**, who had been hosting the popular *Breakfast with the Beatles* Sunday morning music show for the past three years, recently had his show cancelled. The show had consistently been receiving high ratings and rave reviews. It appears that the west coast consultants to WQXA find that the Beatles are no longer a marketable item, and recommended ALL Beatles music be dropped from their format, including Charlie's show. I feel the Beatles still are a viable group in 1988.

If you feel the same way, and would like to see **Charlie's Show** reinstated write to: **Dave Crockett, Program Director, WQXA, P.O. Box 2506, York, PA 17405.**

Jerry MacNeish, who regularly attends our shows recently released his 2nd album. He used original vintage equipment to recreate the 60's surf instrumental sound. Selections include: Pipeline, Wipeout, Mr. Moto, Let's Go Trippin', Walk Don't Run, etc. For info; 3816 Collier Rd., Randallstown, MD 21133 (301)922-2927 (evenings).

FLASHBACK

Thank you and a tip of the hat going out to **Vince and Rusty Habel** who have been our telephone reservation people the past few years. During their tenure, we have seen the show grow from 30 members setting up to over 55, with all shows being sold out! Because of their efforts, the club really doesn't need a reservations number anymore. The new number: (215)273-2965 is more of an information line.

A framed certificate was presented to outgoing president **Tom Grosh** at the April 10th business meeting. This certificate was presented on behalf of the officers and members to Tom for a job well done as president from 1985 - 1988. Long overdue citations were also presented to first president **Roy Robbins** (1979 - 1982) and our second president **Steve Yohe** (1982 - 1985). Congratulations to all three!
